

# 13<sup>TH</sup> LITTLE POLAND FESTIVAL

**Dear Friend,**

For over a decade, the residents and business owners of Little Poland have enjoyed a renaissance of one of New Britain's most unique neighborhoods. Traditionally Polish for over a century, Little Poland now boasts over 50 bustling businesses and plays host to a variety of concerts and events throughout the year. Dubbed a "City's Polish Heart" by the Boston Globe, the Little Poland District with its restaurants, delis, bakeries, and professional services has received great acclaim in the New York Times, Harvard Magazine, The Travel Channel, and many other local as well as national media outlets.

You are cordially invited to participate in what has become one of the fastest-growing and most popular festivals in all of New England, **New Britain's Annual Little Poland Festival. Our last edition attracted over 35,000 visitors and more than 120 vendors from across the East Coast.** Festival attendees have included residents of the state of Connecticut, as well as other states near and far, elected officials and dignitaries, world-famous athletes, film stars, and musicians from across the globe. Your support for this event gives you the opportunity to advertise and market your business to an ever-growing audience.

The organizing committee hopes you will consider joining our efforts by becoming a sponsor of this fantastic event, taking place on **Sunday, June 14, 2026.** Next year's Little Poland Festival will be larger than ever with live music, leaping folk dancers, traditional arts & crafts, attractions for the youngest attendees, and of course traditional Polish foods from the area's award-winning restaurants.

We are also confident that next year's festival will present a not-to-be-missed opportunity to promote your organization and your brand to a large and diverse audience both during and before the event through our extensive marketing and promotion efforts.

Thank you for your consideration and support.
